

Primaster **Combi** 2 in 2 0 in One

An all purpose machine
for cleaning small rooms
without the inconvenience
of an electric cable...

Primaster

Primaster Combi Machine offers 2 in 1

Floors, Staircases • Walls, Ceilings • Bathrooms, Toilets or Sauna • Spot cleaning on textile carpets Terrace areas, Boats, Caravans • etc.

The Primaster Combi Machine The Primaster Combi Machine cleans effectively. It offers you easy and comfortable cleaning in all kinds of difficult places and narrow areas without the annoying presence of electric cables. Extra precautions for working in damp areas are no longer needed. The machine is extremely lightweight at only 3 kg including a battery. A 9,6 V rechargeable battery and separate 1 hr quick-charger make the Combi Machine the perfect assistant on your cleaning trolley or the ideal combination with bigger floor cleaning machines. The 180 mm brush and free space around the motor allow the Combi Machine to function in corners, skirting boards, walls, ceilings, etc. Now all hard-to-clean and difficult to reach nooks and crannies can be comfortably cleaned by machine.

The functionality of the Primaster Combi Machine is best shown in areas where conventional cleaning methods are either impractical or laborious.
